THE MOST EXTENSIVE ORGANISATION OF ITS KIND IN AUSTRALASIA.

STATUS ENQUIRY DEPARTMENT

The valuable Status Enquiry Service afforded by the Association enables Subscribers definitely to decide as to the advisableness of according or withholding credit, and it is recognised with the utmost appreciation by the numerous Bankers, Merchants, Manufacturers, and Traders, who fully avail themselves of its manifest advantages.

In addition to the Status Reports issued by the Department all Subscribers should avail themselves of the many benefits of the

"FOLLOW-UP" SERVICE,

which affords to Members, furnishing the Association with a List of Customers, prompt notification of all changes affecting their position and prospect thus providing Subscribers with a constant means of supervision of the affairs of those to whom they have accorded credit. When

AN IMPORTANT CHANGE

has occurred in the position of a Firm, the Association immediately notifies Subscribers. When

A SUPPLEMENTAL OR REVISED REPORT

containing additional information, has been compiled, SPECIAL NOTICES are at once forwarded to Subscribers, intimating that a copy is available.

A careful perusal should be regularly made of the

DAILY AND WEEKLY "TRADE REPORT" AND "CHANGE SHEET,"

containing records of Debentures, Bills of Sale, Renewals and Satisfactions of Bills of Sale, Stock Mortgages, Bankruptcies, Wool, and Crop Liens, and Applications for Probate; also noting, in clear and concise form, the Opening of New Business, Dissolutions of Partnership, Dividends Payable, Fires or disasters affecting any Firm, and other items of commercial interest, the whole affording a most valuable aid to the credit giver.

THE COUNTRY TRADES REGISTER

A complete Register of Traders in 2000 Country Towns throughout the State of New South Wales, is recognised as indispensable to the office of every Merchant.

INTER-STATE ENQUIRIES

The Association occupies a unique position in regard to representation in the other States and New Zealand commanding, as it does, all the facilities as well as the earnest co-operation of the various

PIONEER TRADE PROTECTION OFFICES

in all the principal Cities of the Commonwealth of Australia and Dominion of New Zealand, including the following:—

MELBOURNE · ADELAIDE · HOBART · AUCKLAND · DUNEDIN
BRISBANE · PERTH · LAUNCESTON · CHRISTCHURCH · WELLINGTON

This strong combination enables the Association to furnish Subscribers with indisputably the

MOST RELIABLE, MOST VALUABLE AND BEST

Inter-State Information on Traders of all Classes. Subscribers having branches in other States may arrange with this Association to obtain Trade Information in every important centre, together with the Publications issued by the various offices indicated. The Association provides subscribers with

INTER-STATE ENQUIRY BOOKS

thus furnishing Travellers or Representatives visiting other States with every facility for the direct acquirement of information which is an invaluable aid and guide in their business projects.
